The **UMB** (Ultimate Miniature BullRiding) was founded for young bullriders, under age 14 and weighing under 125 pounds. These **PBR** style events allow members to accumulate points throughout the season to qualify for the **UMB Finals**. The top contestants of the 9-14 year olds represent Wyoming at the **AYBR Finals** in Ignacio, Colorado. Several states and organizations are represented at these finals.

The age divisions for the **UMB** are 5 and under, 6-8, 9-11 and 12-14.

Miniature bull riding is fast gaining popularity as an extreme sport and training aid for aspiring young bull riders. The livestock used, although small in size, buck similar to full size bulls. We feel that this is more beneficial to riders than getting on roping cattle or calves. Professional bull riders are seeing the benefits of the **minis** as well, with bull riding greats such as, Wiley Peterson, Chris Shivers, Matt Austin, and Bobby Welsh using them in their bull riding schools. The miniature bulls are a huge crowd pleaser. The ABBI (American Bucking Bull Inc., the registry for bucking bulls) has recently adopted the registration of miniature bucking bulls.

At the **UMB**, we believe in helping youngsters from the very beginning. We have a very special set of miniature bulls that allow the youngest bull riders the opportunity to learn skills in the chutes and develop confidence and riding skill, which will carry throughout their careers.

To become a member please go to the [UMB Application](#), print and fill out a copy. Send the completed form along with a copy of birth certificate and membership dues to:

UMB
46 Mill Creek Road
Lander WY 82520

Please read the rules prior to entering and competing at event.
